Pray daily - God is easier to talk to than most people - Father, thank you for the blessing of a family. Today, please keep the enemy at bay. Increase their faith. Protect them from falling into temptation. Grant them the opportunity to shine a light in the darkness and lead others to you. Whatever is making my family anxious today, I ask that you comfort them, and that they can rest in your complete sovereignty. Amen. - Topher Haddox

National Day Today (March 23): National Cheesesteak Day; World Tuberculosis Day

Writing for Fun: Use up to 100 words, write a Crime/Detective piece of fiction involving a scientist in the current day. Incorporate a football, fish tank, and Hit and Run. Have fun.

Sample: Reynaldo cradled the flattened football in his arms. The car that ran over it, knocking the air and the life out of it, had sped away, but he had noted the plate number. He might be Dr. Spade, aquarium scientist, by day, but when the sun went down and he put on his trench coat and fedora he became Sam Spade Private Eye. . . or as his favorite movie character pronounced it, "Schaam Schpaade." He'd even learned how to twitch the corners of his mouth. He knew tonight, when he left the fish tank, the game would be afoot. (100 words)
